CLASS DESCRIPTIONS

Circuit/Spin - A circuit class designed to push you in strength, cardio, and core endurance. After a 20+-minute circuit, you will be taken through a focused and challenging 20-minute ride on Wave's spin bikes.

Cycling - A stationary cycling class that applies a variety of training methods and motivational strategies. This class proves to be a challenging workout for people of all fitness levels.

Cycle RUSH – Race to the finish during this 30-minute cycling class focused on improving speed and power.

Strength Cycle – Maximize your morning workout with this high-energy combination class that mixes strength-training with cycling intervals.

Cycle Battle - Be prepared to sweat during this high-intensity full-body circuit class, that will utilize various equipment; including Wave's spin bikes and battle ropes.

Vinyasa Flow – All-levels yoga class focused on linking breath with movement. Build strength, flexibility, and balance as you flow through dynamic sequences.

Power Yoga - A powerful, energizing combination of traditional Ashtanga and Vinyasa practices. This class is suitable for all levels and is great for building strength and flexibility.

Barre Express - Based on the original Lotte Berk Technique; participants will enjoy a full-body workout that requires little-to-no equipment. While the focus is on the entire body, special attention is paid to the core. Class is limited to 8 people and will be held in the functional training hallway (hallway near the pool).

Pilates - A dynamic series of precise movements and exercises that enhance your natural alignment and elongate the muscles.

Tone & Sculpt - Low impact, light weight toning, sculpting and functional training for people of all fitness levels

UP! - Stair climbing will improve total leg strength and aerobic endurance. This class is geared to all levels of fitness. Using the stairwell in the hotel we do laps from Plaza level to the 18th floor and back down for 20 – 30 minutes. You are provided with a workout of the day to follow on your own until you are done or until time runs out.

Tread & Shred – Beat treadmill boredom with this combination class; alternating between treadmill intervals and strength exercises on the floor.

Power Half - 30 minutes of continuous strength training using medium to heavy weights. Focus is on proper technique and improved strength & endurance.

MetCon - High energy metabolic conditioning circuit designed to improve your muscular endurance and transform your body.

Total-Body Tabata - A dynamic total-body conditioning class using a variety of equipment including weights, bands, body weight, etc. with high intensity intervals followed by short rest breaks.
